Donate via a Match Funding work scheme

If you work for an organization that has a match funding policy, any money you contribute could be matched by your employer. Usually, an employee will need to supply their company with a letter from the school detailing the nature of a donation or fundraising event, together with the total raised or donated.

We would be grateful if you could see if your employer has a match funding scheme, or if they are willing to match fund any donations or events.

If you are able to help us in this way, we will be delighted to hear from you.

A donation receipt will be sent to confirm we have received a donation.

Thank you for your support.
